

SOURCEWORK LLC

THE WORK BEHIND THE WORK.

Capability already exists. We find it and put it to work.

A customer issues a requirement. We find the commercial capability to fill it, qualify the sources, submit a compliant quote, and carry the work through delivery under one contract and one point of accountability.

HOW A REQUIREMENT BECOMES A DELIVERY

01	Define	Solicitation, SOW, or line items read against what is being bought.
02	Source	The capability found: manufacturer, distributor, subcontractor, carrier, specialist.
03	Validate	Capacity, lead time, authorization to sell, and compliance confirmed.
04	Quote	Priced for the acquisition method, with required reps and formatting.
05	Execute	Purchase orders, schedule, documentation, and coordination managed.
06	Deliver	Documented, invoiced through the required system, supported to closeout.

CURRENT STANDING

Sourcework LLC is newly registered and claims no federal past performance, contract vehicles, or socioeconomic certifications to date. What we offer is sourcing, disciplined quoting, and accountability through delivery.
