

SOURCEWORK LLC

COMPLEX REQUIREMENTS. REAL OUTCOMES.

From Requirement to Result.

Sourcework is a procurement and execution company. A customer issues a requirement; we determine the commercial path to fill it, qualify the sources, submit a compliant quote, and carry the work through delivery under one contract and one point of accountability.

COMPANY DATA

UEI	Z7AZH895XD63
CAGE CODE	24SS2

CORE CAPABILITIES

Government Procurement

Products, equipment, technology, and services sourced, quoted, and delivered as one accountable party.

Technology & Digital Solutions

Software, licensing, automation, AI-enabled workflow, and implementation support.

Specialized Services

Facilities, logistics, field operations, and support services through qualified providers.

Supplier Sourcing

Manufacturers, distributors, subcontractors, and specialty providers qualified per requirement.

HOW A REQUIREMENT BECOMES A DELIVERY

01	Requirement	Solicitation, SOW, or line items read against what is being bought.
02	Source	Commercial path set: manufacturer, distributor, subcontractor, or provider.
03	Validate	Capacity, lead time, authorization to sell, and compliance confirmed.
04	Quote	Priced for the acquisition method, with required reps and formatting.
05	Execute	Purchase orders, schedule, documentation, and coordination managed.
06	Deliver	Documented, invoiced through the required system, supported to closeout.

CURRENT STANDING

Sourcework LLC is newly registered and claims no federal past performance, contract vehicles, or socioeconomic certifications to date. What we offer is requirement analysis, commercial sourcing, disciplined quoting, and accountability through delivery.
